Session Fees / Payments

SGA's class program runs in continuous four week sessions. ALL students once they are enrolled are automatically registered for each new four week session. Payment is due promptly, the first class of each new four week session. PLEASE consult your schedule calendar to be sure of payment dates. Payment dates will also be posted at the gym. If your student decides to discontinue we ask that you please inform us so we can adjust our classes accordingly.

SGA Missed Classes

SGA is not responsible for missed classes. We do, however, make every effort to accommodate the needs of our customers by offering the opportunity to make up missed classes. If a make up class is desired **PLEASE** call 641-8303 and we will do our best to find a class with openings that will fit your schedule needs. If we are unable to fit your needs then the class is missed and payment is due in full. There are **NO CREDITS** for missed classes unless SGA is responsible for the missed class. (i.e. threatening weather - instructor illness).

SNOW - Inclement Weather Days

In general, regardless of the weather SGA is open for classes. We have found over the years that by 4:00p.m., when our classes begin, the road conditions have generally greatly improved, even if school has been cancelled. We also understand that there will be times when you as a parent decide it is too risky to venture out. Please follow your instincts, stay at home with your child when you feel it is necessary, and we will make sure that you receive a make up for the class that you have missed.

Holidays

Holiday closings can be checked on your schedule calendar, however, as a reminder the following will help.
